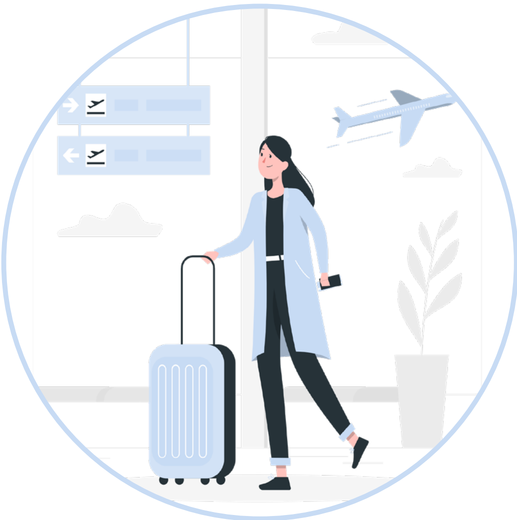
# Business Travel Accident

AIG

In an intensely competitive global economy, companies frequently send their employees overseas to help develop and expand their business. With AIG's Group+ Business Travel Accident (BTA) insurance, organisations can rest assured that their employees are supported every step of the way, allowing them to focus on the job at hand.

**Cover**
Flexible modular options

**Insight**
Preparation and awareness



**Claims**
Responsive and supportive

**Assistance**
Routine and emergency

## Cover

A broad, modular wording that allows clients to select the precise level of cover they need.

**Core**
Essential cover for trips abroad, focusing on medical costs and liability protection.

**Plus**
Extends our Core protection to include cover for money, legal expenses and baggage.

**Assured**
Includes cover for more extreme events, such as kidnaps, natural disasters and political risks.

Clear and flexible

## Assistance

24 hour support for travellers in the event of a medical emergency, travel problem or security issue.

**Medical**
We deliver comprehensive medical services to our customers around the clock.

**Travel**
We help solve travel problems, such as flight delays or lost and stolen luggage.

**Security**
We respond to minor security incidents through to life threatening events.

Swift response

## Insight

Resources that help businesses and their employees to understand the risks they face before they travel – and keep them updated while abroad.

**Travel awareness training**

**Country guides**

**Travel alerts**

Duty of care

## Claims

Whatever issue your clients face abroad, you can be sure that in our 60 years of experience, AIG has already dealt with something similar.

**Experienced professionals**

**Expert knowledge**

**Responsive service**

Global network

## Effective multinational solutions

Standardised coverage and service can be difficult to achieve across the globe. AIG's Group+ BTA policy is designed to be as consistent as possible across markets, while also catering to local requirements, allowing for easy integration into any multinational strategy.
